

# Detail Product of PT Listrikum

---

## Solar Home System 135 Wp Solar Charge Controller

### Spesification

SPECIFICATION Type : 10.10 F Type SCRU : On-Off Seri / PWM Nominal Voltage : 12 VDC Input Current Rating : 8 A Load current rating : 10A Upper limit voltage : 14.50 V Recommendations voltage upper limit : 13.70 V Lower limit voltage : 11.50 V Recommendation lower limit voltage : 12.50 V Short Circuit Protection : Electronic Output terminal : 6V, 9V, 12V Dimensions ( L x W x D ) : 200 x 110 x 48 mm Guarantee : 1 year Certificate : SNI 04-6391-2000 of B2TE valid Indicator : - LED charging light up green color - Battery full color LED lights up green - Battery almost empty the LED lights up red color - There was a short circuit LED lights up red
